<p>Think about your own life/family. Think about the stories you have been told over the years in your family. Be prepared to share one of those stories with us.</p>	<p>Using the Flipgrid link from below, share a story that is a part of your family's oral storytelling traditions OR one from your personal life that you believe will become a part of your own oral storytelling tradition. For example, is there a story that gets told every year at family get togethers to teach everyone a lesson? Feel free to watch my example video on the Flipgrid to help.</p> <p>Flipgrid</p>
